|---|---|

\*other items may be required for specific courses  
\*\*if in doubt check with the teacher first

**Notes:**

- Progressive Academy is a BYOD (Bring Your Own Device) school. The recommended hardware is a Chromebook or an Android Tablet with keyboard. The teachers will be frequently working within a Google Documents environment and these devices will best support the necessary Google Apps.
- It is imperative that each student has a lap top that is in working condition each day.
- If your son/daughter is unclear with how to effectively organize and make the best use of the applications and programs on their lap top, we recommend they attend a workshop BEFORE September 2015; Best Buy and the Apple Store both provide excellent tutorials.

**Please label all personal belongings.**
