

Name of Child

Dear Parents,

Re: 2012 – 2013 New Registrations

The Junior Kindergarten checklist must be completed for children that are new to the Junior Kindergarten program. All requirements that are listed must be met for your child to begin the program at Progressive Academy. This completed and signed checklist is needed to complete your registration.

The following is needed to complete your registration:

- _____ My child is fully independent when using the potty. This means that my child:
 - Does not use pull-ups during the day time
 - Can tell someone they need to go to the bathroom
 - Can go to the bathroom by themselves and perform all necessary toilet steps (such as getting and sitting on the toilet, wiping, washing hands) by themselves
- _____ My child can follow directions
- _____ My child can sit for meal times and feed him or herself

Signature _____

Date _____

Once we have received all of this documentation your registration will be considered complete. Thank you for enrolling your child at Progressive Academy.

Please feel free to see or call me if you have any questions.
