Please keep supplies as basic as possible – we often use a communal system in our room where students will share supplies.

Progressive Academy is a “bring your own device” school for Grades 2 - 9. Students will need to bring a Chromebook to school every day for classroom use. Please ensure all devices including chargers are clearly labeled with your child's name.

Please label all belongings.

*Personalized labels are available at the following website: <http://www.progressive.mabel.ca/>
We highly encourage the labeling of students' belongings so they can always be returned to the owner. This is set up as a fundraiser to help support the school. Thank you for your support!*
