*other items may be required for specific courses

**if in doubt check with the teacher first

Important Notes:

- Progressive Academy is a BYOD (Bring Your Own Device) school. The recommended hardware is a laptop or Chromebook but NOT a tablet (such as iPad). The teachers will be frequently working within a Google Documents environment and these devices will best support the necessary Google Apps.
- It is imperative that each student has a laptop that is in working condition each day.

Please label all personal belongings.
